Alister Ling gave an entertaining speech on his selection and participation on the Australian Team who came second in the 2008 International Mounted Games. Alister is from Yarrambat Pony Club and he had prepared an excellent slide show.

12. DISCUSSION FORUM

James Fitzpatrick led a discussion from the floor which addressed many topics in pony club. The responses below were prompted by direct questions asked by James.

Bronwyn Bouchier NZ asked if the conference could be on a Sunday with AGM so that country participants can have greater access. NZ offered to host in 2009 in Echuca/Moama.

Kate Wilson NMZ gave a positive overview of the National Assessors Workshop. The new NCAS Coaching Scheme is being rolled out this year and assessment of coaches has been nationally standardised and the NCAS system is competency based.

Brian Copeland NMZ talked about accreditation of cross country course advisers and referred to training and mentor systems with Ewan Kellett and Mick Pineo.

John Barlee SMZ spoke of the role of Technical Delegates and their role in event planning. He thought they added a big advantage as they were responsible for many different areas.

Sue Muirhead SMZ raised the musical ride and the variation in scoring from the two judges. She suggested that perhaps a method such as the one used by EFA where, if the scores had a differential of greater than 10%, then the judges must confer.

Phil Holland SMZ followed on from last years topic of renaming the Club District Commissioner but we all agree a suitable name had not been put forward to date.

Lyn Stevens NEZ spoke on the assistance and delegation of roles in NEZ and remained positive for the coming year with good support from a new team.

Leonie Lang CZ raised the cross country heights and how pony club and EFA should standardise the heights to avoid "double building". The history of the variation in heights was discussed as the EFA moved their heights nationally.

Alister Ling NMG queried the relevance of the name "Pony Club" for it clearly did not reflect horses and was not attractive to boys.

Kate Wilson NMZ made a suggestion for the medical arm band to be colour coded with the membership card which would force riders to update the information annually.

Bronwyn Bouchier NZ congratulated Northern Zone on running the PCAV State Dressage and Showjumping Championships at Elmore as El forced the date and venue move.

Bronwyn Bouchier NZ asked if PCAV could send additional newsletters to clubs so more are available to riders.

Jan Faulkner, PCAV President, gave a breakdown on attendances at conferences which showed that the connection of high attendees was due to issues or awards and not necessarily the day or time. Jan accepted NZ offer for next years State Conference to be held on a Sunday in Echuca/Moama, subject to the State Council approval.

Jan Faulkner, PCAV President, made mention of the loss of three special members and their enormous contribution to Pony Club; Ian Wardell, Judy Francis, and Heather Crabbe and she extended our sympathies to their families.

Jan Faulkner closed the night thanking everyone for their attendance and wished them a safe trip home.
